

# EXPERIMENTARIUM

## Experimentarium, A World Class Science Center

Dedicated to playful science and curiosity, Experimentarium brings science to life for the whole family.

The new Experimentarium boasts three indoor floors with 18 interactive exhibitions in addition to an interactive rooftop terrasse. Voted among the 100 World's Greatest Places by TIME Magazine in 2018.

The famous exhibition BODY WORLDS is a part of the visit to Experimentarium until 3<sup>rd</sup> November 2019.

The BODY WORLDS exhibition offers a unique, raw look under the surface of the skin, exposing all the fascinating details of our complex body.
