## **Gerald Lefold joins Scandlines**

In February 2014, Gerald Lefold returned to Scandlines. He takes over as Vice President Freight Sales from Gerhard Blys, who recently left the company.

Lefold worked at Scandlines from 1993-2012, among other things as Line Manager for Sweden and the Freight Based Network to the Baltic States. Accordingly, he is very familiar with the challenges and conditions of this market. "We are pleased to have Mr. Lefold on board again with all his know-how. For the upcoming tasks and further cooperation with our customers, we wish him every success", says Morten Haure-Petersen, Chief Customer Officer (CCO) Scandlines.

As Vice President Freight Sales Gerald Lefold is responsible for the overall freight activities of the shipping company. He will be focusing on the strategic development of Scandlines' freight business as the market conditions are changing rapidly.
