

# FREDRIKSDAL - MUSEUM AND BOTANICAL GARDEN

Fredriksdal is a unique combining an open-air museum with a botanical garden.

Here you can interact with an experience the history, buildings, animals, agriculture and nature linked to life in Helsingborg and southern Sweden during the past two centuries. You can visit old cottages, houses from Helsingborg's old town center, an old pharmacy and much more. You can also enjoy a walk among plants, meadows and forests once typical for the Scandinavian landscape.
